

# A One-day Training Seminar for Reaching 21st Century Teens

## A Seminar Topic That's Long Overdue

### *Growing Teen Disciples in a Mega Church Age*

addresses that all too common experience among Catholic parishes, "My teens are going to that evangelical mega church's youth ministry in town. We can't compete."

The good news is we don't have to compete. *But*, there are some very practical strategies we can employ to draw our young people into a life-changing encounter with Jesus Christ and experience the treasures of being Catholic. This seminar addresses the question: How can we grow teen disciples?

## You'll Discover

- ✓ What we can learn from mega youth ministries.
- ✓ What is the true measure of success and how to make it a reality in our own parishes.
- ✓ How to build a "Third Generation" youth ministry that grows teen disciples.
- ✓ A practical disciple-making process that addresses the various spiritual dispositions among your teens.
- ✓ The characteristics of churches that produce mature Christian teens.

# The world has changed...

*but has your ministry with youth?*

*"Growing Teen Disciples in a Megachurch Age provides the necessary foundation to fashion an authentically Catholic response to mega-church youth ministry. It is a must for anyone ministering to post-modern teens.*
