

A One-day Training Seminar for Reaching 21st Century Teens

A Unique Seminar

Youth Immanuelization is a ground-breaking seminar that provides a fresh look at our evangelistic approaches, methodologies, and practices among Millennial Generation teens.

Immanuelization is an approach to evangelization that speaks to the postmodern disposition. This seminar challenges us to move beyond sharing truths to embodying the message and presence of Christ as individuals and as faith communities. We'll learn how to disclose the presence of God by the manner in which we live, through our conversations, and through acts of love in the name of Jesus.

You'll Discover

- ✓ What is Immanuelization and how to become an Immanuelizing ministry.
- ✓ How to form in teens a contagious, evangelistic spirituality.
- ✓ How to grow a community that is evangelistic in and of itself.
- ✓ What is postmodernism and the practical evangelistic implications.
- ✓ The new face of evangelization that turns conventional spiritual growth upside down.
