4.1 Reflects on instructional practices and understands that teaching in a Catholic school is a ministry of the Church

**Please share how Catholic Identity was infused or reflected within the lesson.**

**In general, how successful was the lesson? Were the learning outcomes met? How do you know? What evidence or examples can you share? Please bring student work samples (3.1)**

**Did you depart from your plan? In which ways did you shift your lesson plan to address an emergent need of your students? Why? What impact did your changes have? (3.5)**

**Comment on your classroom procedures, student conduct and your use of physical space. To what extent did the classroom environment contribute to student learning? What evidence or examples can you share? (2.3, 2.4, 2.5)**

**Comment on different aspects of your instructional delivery (questioning, activities, grouping of students, materials, resources). To what extent were they effective? What was the greatest moment of intellectual engagement? What evidence or examples can you share? (2.1, 2.2, 3.3, 3.5)**

**If you were to teach this lesson again to the same group of students, what would you do differently to achieve the intended student learning outcomes, and/or would you change those outcomes?**

**Review and reflect on students' work and/or assessments from the lesson. What do they reveal about students' progress toward and mastery of the learning outcomes?**

*\*Upload or share samples of student work.*

**Based on your reflection, how and why will you adjust the remainder of the unit to address specific students' strengths and areas of growth?**
