Parish Marriage and Family Life Inventory

In preparation for the release of the forthcoming **National Pastoral Framework for Marriage and Family Life Ministry**, the Secretariat for Laity, Marriage, Family Life and Youth at the U.S. Conference of Catholic Bishops has created this **Parish Marriage and Family Life Inventory** to assist your parish in identifying resources that are currently available to couples preparing for marriage, married couples, and families. The inventory mirrors the four pillars of the Pastoral Framework: Prayer and Relationship with Christ, Formation, Accompaniment, and Advocacy.

Please use this inventory to prepare the process of implementing the Pastoral Framework by evaluating the needs in your parish that are the **most significant**. This inventory is specifically for parish staff to assess the services and resources available at the parish. If the services or ministry is diocesan-based and used by your parish, please indicate with *D for Diocesan.

For any questions concerning this inventory, please contact your Diocesan Marriage and Family Life Director or Julia Dezelski, Assistant Director for Marriage and Family Life at USCCB: jdezelski@usccb.org.
